

Motivation Letter

Dear Sir/Madam,

I am writing to express my keen interest in the Master's Program in Computer Science offered by the University of Bridgeport for the 2025 academic year. As an undergraduate student pursuing a degree in software engineering at Bahir Dar University in Ethiopia, I believe this program will provide me with the advanced knowledge and skills necessary to make a significant contribution to the field of computer science.

My background in software engineering, along with my internship experience at the University of Gondar and work experience at Bazra Investment Group, has equipped me with practical skills that make me a strong candidate for this program. Through These experiences strengthened my programming, problem-solving, and analytical skills, and they fueled my curiosity to explore emerging technologies further. I am particularly interested in focusing on **Artificial Intelligence and Deep Learning, Big Data and Data Mining, and Cloud Technologies**, as these areas are driving innovation across multiple industries today. The University of Bridgeport's wide array of concentrations, such as **Robotics and Automation** and **Internet of Things (IoT)**, are also exciting opportunities for me to broaden my skill set.

One of the main reasons I have chosen to apply to this program is its strong emphasis on AI and emerging technologies. I am particularly interested in AI's transformative potential across industries and believe that the program will provide me with the expertise to excel as a full-stack developer with a focus on AI. The tools and resources offered by the University of Bridgeport will be crucial in helping me reach my professional goals.

I am excited about the opportunity to study at the University of Bridgeport due to its academic excellence, diverse community, and commitment to innovation. As an international student from Ethiopia, I look forward to gaining global perspectives and collaborating with students from various backgrounds. The university's renowned computer science department makes it the perfect place for me to continue my academic journey.

In conclusion, I am highly motivated to pursue a Master's degree in Computer Science at the University of Bridgeport in 2025. Thank you for considering my application, and I look forward to the opportunity to contribute to and grow within your prestigious program.

Sincerely,

Dagmawi Amare Minlargilih
